

## **SETON KINDERGARTEN 2012-2013**

Dear Parents,

If you have a child (or know someone who does) who will be 5 years old on or before September 15, 2012, then this letter is for you. If you don't have a child who is eligible, then please pass this letter on to a friend.

Are you looking for an excellent kindergarten program with a careful balance of academic readiness skills and personal growth opportunities for your child? Would you like to see your child spend the first year of grade school as part of a Christian community where faith is put into practice on a day-to-day basis?

Seton School is here for all who are interested in providing their children with a state-approved educational program that has the added benefit of a Catholic religious-value orientation. Our teachers are certified for their positions by the State of Iowa and are committed to establishing a Christian community in which subject areas and discipline are delivered in the context of Gospel values.

Seton Grade School can provide your child with this kind of learning experience! Sponsored by the Catholic parishes that serve this area, Seton offers a program which pays attention to the development of the whole child: physical, emotional, academic and spiritual.

If you would like to see how this works in kindergarten, you are welcome to visit classes, talk to the principal and teachers. We are sure you will want your child to be part of the Seton program in 2012-2013. There will be a parent meeting in conjunction with round-up on March 6, 2012, from 10-10:30 a.m. in the elementary library.

Kindergarten roundup for Seton is scheduled for March 6, 2012. This is an opportunity to have potential kindergarteners screened for basic readiness skills by the Seton early childhood team.

See the enclosed sheet for the kindergarten registration form. If you want more information before registering, call us at 295-3509. We look forward to hearing from you!

Sincerely,

Kathleen Froehlich

Principal
